Our Mission

To provide leadership and support for professionals whose work assists individuals, families, and communities in making informed decisions about their well-being, relationships, and resources to achieve optimal quality of life.

Our Core Values Association members...

- Believe in the family as a fundamental unit of society.
- Embrace diversity and value all people.
- Support life-long learning and diverse scholarship.
- Exemplify integrity and ethical behavior.
- Seek new ideas and initiatives and embrace change.
- Promote an integrative and holistic approach, aligned with the FCS body of knowledge, to support professionals who work with individuals, families, and communities.
